

# How to use Hearty Health

---

## Step 1 LOGIN

Login to our secure online ordering system via our website and itemise the number of meals you require for the week – including any special dietary requirements

---

## Step 2 MEALS PREPARED

All meals are made fresh to order using from fresh seasonal produce sourced from local suppliers

---

## Step 3 MEALS PACKED

Meals are packed in a controlled environment to ensure that all food safety requirements are in place

---

## Step 4 MEALS DELIVERED

Our drivers deliver your meals in refrigerated vans directly into your centre's fridge ready to go

---

## Step 5 HEAT & SERVE

Your centre staff heat and serve the meals pursuant to our detailed serving instructions

---

## Step 6 ENJOY

Children and Early Childhood Educators are encouraged to sit together and enjoy eating our delicious meals

---
